**CORRECTED [PROPOSED]
PROTECTIVE ORDER
CONCERNING CONFIDENTIAL
INFORMATION**

**NOTE: CHANGES MADE BY
THE COURT TO ¶9**

21 The Court, having read the Stipulation of the Parties, and good cause
22 appearing therefore, hereby issues the following protective order (“Order”):

23 1. In connection with discovery proceedings in this action, any party to
24 this action or any third party providing discovery material in this action (hereinafter
25 "Producing Party") may designate any document, thing, material, testimony or
26 other information derived therefrom, as "Confidential" under the terms of this
27 Protective Order (hereinafter "Order"). Confidential information is information
28 which has not been made public and which concerns or relates to the proprietary

[PROPOSED] PROTECTIVE ORDER CONCERNING
CONFIDENTIAL INFORMATION CV 07-03314 PSG
(MANx)

1 information used by the parties in, or pertaining to, their business, which is not
2 generally known and which the parties would not normally reveal to third parties or
3 would cause third parties to maintain in confidence, including, without limitation,
4 trade secrets, financial data, contracts and agreements, current and future business
5 plans, and marketing documents.

6 2. Confidential documents shall be so designated by stamping copies of
7 the document produced to a party with the legend "CONFIDENTIAL." Stamping
8 the legend "CONFIDENTIAL" on the cover of any multi-page documents shall
9 designate all pages of the document as confidential, unless otherwise indicated by
10 the Producing Party. A Producing Party's designation of information as
11 "Confidential" pursuant to this Order shall constitute a representation that the party
12 has reviewed the information and has a good faith basis for its designation.

13 3. A Producing Party may designate testimony taken at a deposition as
14 "Confidential" by making a statement to that effect on the record at the deposition.
15 A court reporter taking and/or transcribing such deposition shall separately bind
16 such portions of the transcript designated hereunder, shall label such portions to
17 clearly identify the designation provided.

18 4. Material designated as Confidential pursuant to this Order, the
19 information contained therein, and any summaries, copies, abstracts, or other
20 documents derived in whole or in part from material designated as confidential
21 ("Confidential Material") shall be used only for the purpose of the prosecution,
22 defense, or settlement of this action, and for no other purpose. If the United States
23 District Court for the Eastern District of Michigan, in the case captioned *Eight Mile*
24 *Style, LLC et al. v. Apple Computer, Inc. et al.*, Case No. 2:07-cv-13164 (E.D.
25 Mich.) (the "*Eight Mile Action*"), enters an order that (a) provides the same or
26 greater level of protection for Confidential Material than this Order provides to
27 Confidential Material, and (b) extends the protection of that Court's order to
28 Confidential Material produced in this action, then Confidential Material produced

1 by a party to this action may be used in the *Eight Mile Action*, but only for the
2 purpose of the prosecution, defense, or settlement of the same.

3 5. Confidential Material may be disclosed or made available only to the
4 Court, to counsel for a party (including in-house counsel, and any paralegal,
5 clerical, or secretarial staff employed by outside or in-house counsel), and to the
6 “qualified persons” designated below:

7 (a) a party, or an officer, director, or employee of a party deemed
8 necessary by counsel to aid in the prosecution, defense, or settlement of this action;

9 (b) experts or consultants (together with their clerical staff) retained by
10 such counsel to assist in the prosecution, defense, or settlement of this action;

11 (c) court reporter(s) employed in this action;

12 (d) a witness at any deposition or other proceeding in this action, provided
13 that it appears from the face of the Confidential Material that such witness had
14 access to the same independent of this action (the fact that Confidential Material
15 may be disclosed in a deposition or other proceeding to a court reporter or witness
16 does not permit the disclosure of such Confidential Material during the same
17 deposition or other proceeding to other persons not otherwise included in the list of
18 qualified persons); and

19 (e) any other person as to whom the parties in writing agree.

20 Prior to receiving any Confidential Material, each “qualified person” (other than an
21 independent court reporter retained to transcribe or videotape depositions) shall be
22 provided with a copy of this Order and shall execute an agreement to be bound in
23 the form of Attachment A. It shall be the duty of counsel of record in this case to
24 maintain the signed copies of any such agreements to be bound

25 6. Only qualified persons permitted to review Confidential Material may
26 attend depositions at which Confidential Material is used or discussed.

27 7. The parties may further designate certain discovery material or
28 testimony of a highly confidential and/or proprietary nature as “CONFIDENTIAL -

1 ATTORNEY'S EYES ONLY" (hereinafter "Attorney's Eyes Only Material"), in
2 the manner described in paragraphs 2 and 3 above. Attorney's Eyes Only Material,
3 and the information contained therein, shall be disclosed only to the Court, to
4 outside counsel for a party (including any paralegal, clerical, or secretarial staff
5 employed by that counsel), to the "qualified persons" listed in subparagraphs 5(b)
6 through (e) above, and to the following in-house counsel: Harvey Geller, Senior
7 Vice President, Business and Legal Affairs, UMG Recordings Inc. Attorney's Eyes
8 Only Material shall not be disclosed to any other person or entity (including
9 without limitation a party, or an officer, director or employee of a party), unless
10 expressly permitted in a signed writing executed by the Producing Party. Except as
11 specifically amended in this Paragraph 7, all other provisions in this Order
12 regarding Confidential Material shall apply to material designated as Attorney's
13 Eyes Only Material.

14 8. Nothing herein shall impose any restrictions on the use or disclosure
15 by a party of material obtained by such party independent of discovery in this
16 action, whether or not such material is also obtained through discovery in this
17 action, or from disclosing its own Confidential Material as it deems appropriate.

18 9. If Confidential Material, including any portion of a deposition
19 transcript designated as Confidential or Attorney's Eyes Only Material, is included
20 in any papers to be filed with the Court, such papers shall be accompanied by an
21 application to (a) file the Confidential portions thereof under seal (if such portions
22 are segregable), or (b) file the papers in their entirety under seal (if the Confidential
23 portions are not segregable). The application shall be directed to the Judge or
24 Magistrate Judge to whom the papers are directed. Pending the ruling on the
25 application, the papers or portions thereof subject to the sealing application shall be
26 lodged under seal and ~~Any papers filed under seal that contain Confidential or~~
27 ~~Attorney's Eyes Only Material~~ may be disclosed only to those persons qualified to
28 have access to such material under the provisions of Paragraphs 5 and 7 hereof.

1 10. A Producing Party that inadvertently fails to designate discovery
2 material as Confidential or Attorney's Eyes Only Material at the time of its
3 production shall be entitled to make a correction to its designation. Such correction
4 and notice thereof shall be made in writing, accompanied by substitute copies of
5 each item of discovery material, appropriately designated. Those individuals who
6 reviewed the re-designated discovery material prior to notice of the re-designation
7 by the Producing Party shall abide by the provisions of this Order with respect to all
8 future use and disclosure of any information contained in the re-designated
9 materials.

10 11. A Producing Party that inadvertently produces any document or other
11 information during discovery in this action that is otherwise privileged under the
12 attorney-client or other privilege, or protected from discovery as work product,
13 may, upon discovery of such inadvertent production, request the return of such
14 document or information. Upon receipt of a written request for return by the
15 inadvertently Producing Party, the party to whom that information was produced
16 (a) shall immediately destroy the original and all copies (physical or electronic) of
17 such material and shall send the Producing Party written confirmation of that
18 destruction within 10 calendar days of having received the request and (b) shall not
19 thereafter use such information for any purpose unless authorized to do so by the
20 Court.

21 12. This Order shall be without prejudice to the right of the parties (a) to
22 bring before the Court at any time the question of whether any particular document
23 or information is confidential or whether its use should be restricted or (b) to
24 present a motion to the Court under Fed. R. Civ. P. 26(c) for a separate protective
25 order as to any particular document or information, including restrictions differing
26 from those as specified herein. This Order shall not be deemed to prejudice the
27 parties in any way in any future application for modification of this Order.
28

1 13. This Order is entered solely for the purpose of facilitating the
2 exchange of documents and information between the parties to this action without
3 involving the Court unnecessarily in the process. Nothing in this Order nor the
4 production of any information or document under the terms of this Order nor any
5 proceedings pursuant to this Order shall be deemed to have the effect of an
6 admission or waiver by either party or of altering the confidentiality or
7 nonconfidentiality of any such document or information or of altering any existing
8 obligation of any party or the absence thereof.

9 14. This Order shall survive the final termination of this action, to the
10 extent that the information contained in Confidential material is not or does not
11 become known to the public. The Court shall retain jurisdiction to resolve any
12 dispute concerning the use of information disclosed hereunder, and all parties
13 consent to the jurisdiction of this Court over them to resolve any such dispute.
14 Within sixty (60) days of the final resolution of this action, counsel for the parties
15 shall assemble and return to each other all documents, material and deposition
16 transcripts designated as confidential and all copies of same, or shall certify the
17 destruction thereof.

18 15. Plaintiffs have agreed to Defendants' proposed Protective Order in
19 order to facilitate the production of documents but specifically reserve their rights
20 to seek an Order modifying any or all of the following: a) the definition of
21 "Confidential" information contained in Paragraph 1; b) to add Mark Levinsohn to
22 the list of qualified persons in Paragraph 7 to whom Attorney's Eyes Only Material
23 may be disclosed; and c) Paragraphs 5(d) and 6, insofar as those provisions do not
24 permit principals of Plaintiffs to be present at those portions of depositions wherein
25 there is a disclosure, questioning or testimony regarding Confidential or Attorney's
26 Eyes Only Material that may not be disclosed to those principals under Paragraph 5
27 or Paragraph 7. Defendants reserve their rights to oppose any such request by
28 Plaintiffs to modify the terms of this Order. Unless and until such time as the Court

1 enters a revised Order granting Plaintiffs such relief as is contemplated in this
2 paragraph, Plaintiffs consent to abide by the Protective Order in its current form.
